

Brennon M. Borbon – Web Developer

25 Zodiac Drive Pleasant Homes Subd. Punta Princesa • Cebu City 6000 • Phone: +63-995711-3025 • E-Mail: borbonbrennon@gmail.com

Objective

My objective is to create and maintain optimally functional websites and applications as tools in achieving the company's mission and vision. As a part of a competent web developing team, I intend to generate maximum traffic to these projects by showcasing high-quality SEO content, user- and mobile-friendly navigation. One of my goals includes constantly improving my skills in web development. This being said, I look forward to becoming a useful part of the company.

Skills

Good knowledge in HTML and CSS.
Bootstrap 4, Material-UI and Semantic-UI styling frameworks.
React.JS front-end library for creating UI/UX. Javascript ES5/6/7+
Node.JS and Express.JS for server-side runtime
NoSQL and MongoDB database
Comfortable using CLI interfaces. NPM, Babel and Webpack compilers
Version control using GIT and Github
Ability to design, develop and integrate Web applications
R statistical software for Data Science applications
